Sills is next superintendent

Democrats sweep local election

By ELLIS CUEVAS

Democratic nominees made a clean sweep in the Hancock County General Election Tuesday, according to unofficial returns.

Carolyn Ring Deputy Circuit Court Clerk, reported that box No. 2 from Waveland was the last to arrive at the Courthouse at 5:15 a.m. Wednesday morning. Waveland's other box was a few minutes earlier reporting in during the ballot.

The excitement of past primary elections this year was missing as few spectators filed in to the Hancock County Courthouse Tuesday night and the streets in front of the courthouse remained empty.

In the race for State Senator, incumbent Martin Smith tallied 5,511 to 1,393 in Hancock and 7,897 to 2,056 in Pearl River against independent candidate Julian B. Wright.

Republican Karl Goss trailed incumbent J.P. Compretta 5,126 to 1,948. Compretta, the Democratic nominee was elected to his second term as a House of Representative.

Chief Deputy Ronnie Peterson

democratic nominee for sheriff was an easy winner over Republican McCormick Wheeler, 6,387 to 766.

In the County Superintendent of Education's race, North Bay Elementary Principal, Billy Sills, the democratic nominee defeated independent Thad Haskins, principal of Hancock North Central, 2,276 to 1,454.

Three Supervisors, all Democratic nominees, were winners over independent candidates. District One Supervisor Bert Courge defeated Robert Peterson 952 to 470.

Roger Dale Ladner who defeated incumbent Oscar Peterson in the Democratic run-off election defeated Tommy Shaw 1,244 to 628 in District Three for Supervisor.

Sam J. Pernicaro was elected to a second term over Independent Cleveland Wyatt 1,157 to 401 for District Four Supervisor.

In the Justice Court races, incumbent Lee Klien unopposed in the Democratic primary defeated independent Thomas L. (Tommy) Carver, 964 to 377, to retain his seat in District One.

Justice Court judge Democratic nominee Bruce Necaise easily defeated Sidney Sandoz 1,030 to 411, for District Four.

Phillip Malley drew opposition from two independent for Constable in District Three and was an easy winner.

Malley received 1,164 votes with Wayne (Doolie) Necaise 392 and Rennon Shaw 98.

The two resolutions passed by a majority of about 3-1 in the county.

William Winter, the democratic DEMOS WIN-PAGE 8A

Triton names Mardi Gras king

By ELLIS CUEVAS

The Krewe of Triton has named Hancock County car dealer Harmon

HARMON E. TURAN

Turan as king for the 1980 Mardi Gras parade.

In previous years Triton's king was a well kept secret until the Annual Ball of the Krewe on the Saturday before Mardi Gras.

A spokesman for the organization also said that this was the first year for the group to name a king.

Turan led the sixth annual Triton parade down US-90 from Waveland to Bay St. Louis on Tuesday, Feb. 19. Mads selected are Anne Schott, Helene Stephanie-Marie Hill, Celeste McKenzie, Sherrill Elliott Kelly, Catherine Augusta Scanlon, and Kathleen Marie Fayard.

Turan, owner and manager of Turan-Lane Chevrolet, Bay St. Louis and a resident of 206 Nicholson Avenue, Waveland is a native of the Mississippi Gulf Coast.

He has been involved in the car business for over 30 years. He is married to the former Emily Erhard of Gulfport.

Turan has four daughters and one son. His youngest daughter Debbie is a student at Bay Senior High.

In 1971 he went into partnership with Gerry Lane as the Chevrolet dealership for Hancock County in Bay St. Louis.

He saw action in the South Pacific during World War II on the aircraft carrier U.S.S. Ticonderoga and was discharged from the U.S. Navy in 1946.

Turan currently serves as president of the Mississippi Gulf Coast New Car Dealers Association.

He is active in Clement R. Bon Temps American Legion Post No. 139; Scottish Rites Bodies, Gulfport; Joppa Temple Shrine, Gulfport; Bay-Waveland Yacht Club; St. Clare's Catholic Church, Waveland; Southern Star Lodge No. 500

TURAN-PAGE 8A

FIRST BOX IN - Hancock County Circuit Court Clerk Henry Otis, left, and County Election Commissioner J. V. Ladner seal the Bayou Phillip ballot box, the first to arrive at the courthouse Tuesday evening during the general election. Boxes did not begin arriving at the courthouse until some 2.5 hours following closing of the polls, and at 10:30 p.m. Tuesday only 14 precincts had reported results. The final box arrived near 5 a.m. Wednesday. (Staff photo - Rich Adams)

Query prisoner food

Supervisors inspect jail

By WAYNE DUCOMB JR.

In an attempt to cool the latest dispute between Hancock County Sheriff Sylvan Ladner and Jailer Ethel Page, the County Board of Supervisors made an on-site inspection of county jail facilities.

Appearing before the supervisors at

their regular monthly meeting Monday morning Page asked that she be paid for 118 meals she attempted, but for various reasons, was not allowed to serve.

Sheriff Ladner said he refused to pay Page and questioned the quality of the meals served to prisoners.

When an argument ensued between Ladner and Page, Supervisor Bert Courge suggested a 15 minute recess for an inspection of jail facilities.

The board inspected the jail's kitchen and talked to inmates about the meals being served.

Several inmates complained about poorly prepared meals and rotten food being served.

Page contends that she serves well

News Briefs

VETERANS DAY PARADE

The annual Veterans Day parade will be held on Monday, Nov. 15 starting at 10 a.m. at Bay Junior High. The parade is sponsored by Clement R. Bon Temps American Legion Post No. 139 with Lucien Kidd as parade chairman and J.D. (Big John) Rutherford, Americanism chairman. Harold Saucier is post commander and all veteran, auxiliary boys and girl scout and marching groups are invited to participate.

DRUG ABUSE PROGRAM

The Bay-Waveland Altruism Club will sponsor a Drug Abuse program on Wed. Nov. 14, 7:30 p.m. at the city-county library. Special speaker will be Eddie Hughes, former professional singer of Gulfport. The altruism project is open to the public and there will be no admission charge.

VETERANS DAY MAIL SERVICE

The U.S. Postal Service will observe on a normal Holiday schedule on Monday, Nov. 12 according to Tom Hill, Bay St. Louis Postmaster, in observance of Veterans Day. No business, residential, or rural mail delivery will be provided, except for delivery of special delivery, express mail and perishable articles. Holiday collection and lockbox service will be provided, but no window service. A 15 cent Commemorative Stamp honoring Vietnam Veterans will go on sale on Nov. 13.

PAST HOMECOMING QUEENS

The Bay High homecoming queens from 1953 to present will be introduced at coronation activities of the Bay High-St. John homecoming game Friday night at 7 p.m. The event is sponsored by the Bay High Booster Club, which will conduct a registration of Bay High alumni following the game.

HEALTH DEPARTMENT

Dr. Louis H. Jobe, director, announced the Hancock County Health office will be closed today, as personnel will be attending an all day inservice meeting in Gulfport.

ITALIAN DINNER

The Waveland Civic Association will sponsor a Spaghetti and meatball dinner, Saturday, Nov. 10, 5:30 to 8:30 p.m. The Italian dinner will be served at the Waveland Civic Center on Coleman Avenue. Donations are \$2.50 for adults and \$1.50 for children under 12.

DEALERS WANTED

An Antique Bazaar, Crafts Show and Flea Market with home made foods is scheduled for Sat. and Sun., Nov. 17 and 18. Any dealers or crafts people who are interested in joining the show can contact Mrs. D. Brown at 467-8866. The Festival will be held at Shilohsboro Square, corner North Second and Court Streets, Bay St. Louis.

Wastewater matter splits Bay Council

By ELLIS CUEVAS

The Bay St. Louis Council accepted a resolution supporting the Mississippi Gulf Coast Wastewater Legislation by a 4-1 vote. Council member Harry Farve voted against the resolution.

Council Member Fred Wagner, appointed earlier by the Council to serve as the City's representative on the Interim Gulf Coast Commission, read the proposed resolution which stated, "Has caused proposed legislation to be drafted up for the providing an authority charged with the responsibility and vested with the necessary powers to achieve compliance with Public Law 92-500 in the most orderly and cost-effective manner."

Wagner pointed out that the City of Bay St. Louis may or may not be a part of the Mississippi Gulf Coast Wastewater District, stating, "That decision will come later."

Mayor Larry Bennett said he hasn't seen a copy of this legislation and added, "I am not in favor of it at all."

A letter was read which stated the

Council had until Nov. 15, to decide if it would join in on the legislation or be forced to lose all Federal assistance on Waste Water treatment.

Council President Pete Benvenuti allowed, "This is the first time I have been handed a piece of paper, (meaning some governmental regulations the Council had to act on within a specific time) and I am not in favor of defying authority." in giving his support of the resolution.

Benvenuti also stated, "Mr. Wagner was the representative appointed by the Council, and we should trust him."

The resolution contained, "...The Council and Mayor are aware that most of these separate wastewater treatment systems fails to meet current operating standards and are not capable of meeting pollutant removal requirements that Congress has mandated to be achieved by July 1983..."

Wagner tried to explain to Council members the importance of Bay St. WASTE WATER-PAGE 8A

Dupont plant holds open house

The DuPont Company's DeLisle Plant held an Open House Saturday for its 504 employees and their families. The theme of safety on and off the job highlighted exhibits displayed throughout the plant.

"All employees have undergone difficult training and worked long hours preparing the plant for production. The open house is to congratulate everyone on the way those tasks have been approached and for the attitude displayed in accomplishing them," said Gordon B. Howell, plant manager.

"The safety theme is fitting since safety will be the first priority here at DeLisle just as it is at our other plants. A Du Pont employee is 52 times safer in his job than the average industrial employee in the United States, and we plan to continue this tradition of safety from the outset of our operation at DeLisle," Mrs. Howell said.

The DeLisle Plant is Du Pont's fourth manufacturing facility for titanium dioxide (TiO2), an inert, non-toxic white pigment essential to impart

whiteness, brightness and hiding power to paint, plastics, textile fabrics and other products.

For example, the average gallon of paint contains 2 1/2 pounds of TiO2. The more TiO2 used in paint, the better the quality and hiding power.

The DeLisle plant, which is designed to produce 150,000 tons of TiO2 per year, is currently in its initial startup phase. As is typical with a new plant, it will not operate at full capacity from the start, but production rates will be increasing during the next several months, Ms. Howell said.

Du Pont announced its intention to build the TiO2 plant in coastal Mississippi in 1974. The DeLisle plant is located on 200 acres of a 2,000 acre site on the Bay of St. Louis, five miles north of Pass Christian in western Harrison County.

The plant is equipped with the latest

design in environmental controls, representing a \$20 million investment.

The annual payroll of the plant is expected to be about \$12 million. Purchases from local companies supplying goods and services necessary to operate the plant, such as trucking services, specialized equipment fabrication and repair, will be about \$15 million annually.

The DeLisle plant is Du Pont's first facility in Mississippi. It is the company's 10th plant along the Gulf Coast, with three in Louisiana and six in Texas. More than 8,000 DuPont employees work at these sites.

The Du Pont Company was founded in 1802 by E. I. du Pont. From a small gunpowder plant in Wilmington, Del., the Company has grown to a diversified worldwide business with sales totaling \$10 billion.

Rotary 'junk' sale set for Saturday

By ELLIS CUEVAS

The annual 'Junk' sale sponsored by the Bay St. Louis Rotary Club will be held Saturday, Nov. 10 at the Highway 90 Branch of Hancock Bank.

Chairman for the event is James Ginn assisted by co-chairman Randall Hatten. The big sale will start at 9 a.m. Rotarians have been selecting special items for sale (Some their wives have probably been doing the work and they take credit) for several weeks.

Items such as home appliances, furniture, tools, sports and fishing equipment, costume jewelry, toys,

kitchen items, records, books, etc., everything but clothing will be for sale. Rotary Club president Dick Kosbab will be a salesman along with Mac Haas, Dick Shadoin, Ames Kergosien, Bill Pitcarling, Joe McCulloch, Ellis Cuevas, John Rosetti in addition to Ginn and Hatten.

The Bay St. Louis Rotary Club meets noon on Wednesdays at the Wheel Inn Restaurant.

Monies made at the sale will be used by the organization for some of the many civic projects it supports.

DUPONT FAMILY OPEN HOUSE - More than 1600 people attended the employee family open house Saturday at Dupont's DeLisle Plant. The children of employees enjoyed blowing the siren on the fire engine. C. B. Howell, plant manager reported that the fire department's staff is trained to assist area fire departments in emergency cases. Leaking chemicals, caused by accidents on the railroads or highways, are always a possibility, according to the plant manager. The theme for the open house was 'safety', a tradition from the outset of the operation according to Howell. (Staff photo - Ellis Cuevas)

Obituaries

SILAS BAKER

The body of Silas B. Baker was sent from Edmond-Fahey Funeral Home in Bay St. Louis to the Bachs-Kaulbars Funeral Home in Anaheim, Calif., for services and burial.

Mr. Baker, a resident of 1320 Dubuc Lane, Waveland, died Sunday, Nov. 4, 1979 at the age of 85. Among his survivors is a son, Alan Baker of Waveland.

MRS. DOROTHY LEBEAU

Mrs. Dorothy Ann LeBeau, died Tuesday, Nov. 6, 1979 at her home, 238 Clark St., Pass Christian. Funeral arrangements are incomplete at Riemann Funeral in Gulfport.

MRS. ABBIE BOND MIZELL

Mrs. Abbie Bond Mizell, 83, Rt. 1, Box 108, McHenry, widow of Clarence Eugene Mizell, died Monday, Nov. 5, 1979 at 4:30 p.m. in the Stone County Hospital at Wiggins.

She was born Oct. 4, 1896, in Stone County and was a member of the McHenry Missionary Baptist Church.

She is survived by two daughters, Mrs. Philenease Pacetti, Mobile, and Mrs. Delores Marie Vanderford, Pass Christian; two brothers, Wiley Bond, Jackson, and Murrey Bond, McHenry; one sister, Mrs. Zannie Ecroyd, McHenry; nine grandchildren and four great-grandchildren.

Friends called Wednesday from 6:30 to 10 p.m. at Riemann Funeral Home in Gulfport. The funeral will be held today at 2 p.m. at the funeral home chapel with the Rev. Thomas Hartfield, pastor of the McHenry Missionary Baptist Church, officiating. Burial will be in McHenry Cemetery.

LESLIE B. MOUGHTON
Leslie B. Moughton, 71, Pass Christian, died Sunday, Nov. 4, 1979, at 11 a.m. in the Veterans Administration Medical Center, Biloxi, where he had been a patient since Oct. 9.

He was born June 7, 1908, in Sharon, Pa.

He was a veteran of the Army in World War II and he was a Presbyterian.

The body was sent from Bradford-O'Keefe Funeral Home in Biloxi to the Brissan Funeral Home in Sanford, Fla., for the funeral and burial.

PERRY MONROE PARKER
Perry Monroe Parker, 59, Gulfport, died at 12:50 p.m. Sunday, Nov. 4, 1979, in the Biloxi Veterans Administration Medical Center.

A retired welder, he was born March 14, 1924, in Lyman and was a lifelong resident of the Coast. He was a U.S. Army veteran of World War II and a member of the Persimmon Hill Baptist Church.

Survivors include a son, Daniel Parker; a daughter, Mrs. Kathy Brock, both of Gulfport; three sisters, Mrs. G.O. Nelson, Long Beach, Mrs. Beatrice Ladner, Rocky Hill Community, and Mrs. Ida Dees, Jackson; and seven grandchildren.

Friends called from 6:30 to 10 p.m. Monday at the Riemann Funeral Home, Gulfport.

The funeral was conducted at 10 a.m. Tuesday at the funeral home chapel with the Rev. Dee Gill, officiating. Burial was in Wolf River Cemetery.

DENA LADNER PEARSON
Mrs. Dena Ladner Pearson, 65, of Route 2, Box 302, Carriere, a Pearl River county native, died Saturday, Nov. 3, 1979, 1:45 p.m., at Forrest General Hospital, Hattiesburg.

Mr. and Mrs. Nelius Rhodes Sr., their son and daughter-in-law Mr. and Mrs. Joseph "Doc" Rhodes and sons Brad and Chad spent the weekend with Mr. and Mrs. Rhodes Jr. and family in Jackson where they attended the LSU-Ole Miss game.

Carl Gustafson Jr. of Plaquemine, La., spent the weekend with his parents Mr. and Mrs. Gustafson Sr. at their home in Waveland.

Mrs. Lawrence Lynch of Metairie, La., is visiting her niece Mrs. Shirley Turcotte.

Mr. and Mrs. Chester Kingstone returned Saturday from a two week visit with their son Paul and their son-in-law and daughter Mr. and Mrs. Donald Kundert and daughters Lisa, Donna and Kristi in Little Rock Ar.

Mr. and Mrs. Herbert Cardin had as a weekend guest their daughter Mr. Bert Smith of New Orleans.

Prison food.....

balanced meals.

After inspecting meal records the board unanimously agreed to pay 50 cents each for the 118 meals Page attempted to serve, amounting to \$59.00.

The board also authorized payment of the regular \$1.50 per prisoner meal rate on 976 meals Page served between Sep. 28 and Oct. 25.

Hancock County School Superintendent Terry Randolph requested that the board acknowledge a petition from the school board requesting the county borrow \$285,021 for a school facility for the handicapped.

Several board members were confused as to what exactly Randolph requested, under the impression that he was asking for their approval of the loan.

After Randolph's intentions were clarified by Board Attorney Walter Gex, Supervisors Courge and James Travira asked for a breakdown of the costs involved.

Randolph said that he did not have those figures, adding they were not necessary for the board to act on the matter and quoted legislation regarding the matter.

Gex interrupted asking for Randolph to provide a general breakdown of costs involved.

Randolph replied, "It would take about a half hour to obtain the figures."

Board President Dolph Kellar replied, "We'll be here," and also requested the itemized figures.

After Randolph reported cost figures to the board a motion passed acknowledging receipt of the petition with the only negative vote cast by Supervisor Oscar Peterson.

Bobby Boudin, director of Hancock County Civil Defense, presented a grid map of the county prepared by Gulf Regional Planning Commission. The map will help emergency units pinpoint various locations in the county.

Boudin said, "There will be copies of the map placed in public buildings throughout the county, so we urge citizens to find out where you are located on the map so that you can give these coordinates in an emergency."

He also explained the county's Nuclear Civil Protection Plan.

"We are talking about relocating 16,000 people from Harrison County into Hancock County's natural defense shelters with Hancock residents being sheltered at National Space Technology Laboratory in the event of a nuclear attack," Boudin said.

Boudin asked the board to advertise the sale of six derelict Army surplus "duce-and-a-half" trucks being stored at Port Bienville.

Gex requested that Boudin get serial

numbers for the vehicles so they may be properly advertised.

The board unanimously approved resolutions from the Hancock County Port and Harbor Commission for:

—granting a six month extension and ninth addendum of existing lease-purchase agreement with Borg-Warner Corp.

—authorizing financial relief to the fixed base operator at Stennis International Airport.

The action authorized the county to pay the \$2,200 annual fire and extended insurance coverage Aero International would be responsible for paying.

—accepting the Port Bienville Industrial Park's revenue claim docket.

—authorizing an addendum to the lease option agreement between the county and Bergeron Industries, Inc. so the company can obtain a \$300,000 Small Business Administration loan for a building expansion at Port Bienville.

—authorizing payment to Loftus Equipment Co. for a fall lawn mower costing \$2,012.37.

—authorizing a preapplication and a certificate of no opposition to the Federal Aviation Administration for 80-20 matching funds for a 350 by 300 foot extension to the aircraft apron at Stennis International Airport costing \$200,800.

—authorizing rental of administration building at Stennis International Airport to Mid-Continent Aircraft Corp. for \$300.00 per month and a sublease option pending commission approval.

In other business the board also unanimously approved:

—a request for a list of mobile homes for October.

—execution of a warranty deed on Hancock County Library property to read that Hancock County and the Hancock County Library System Board of Trustees as owners of the property.

A request by Jay Marsh, representing the Hancock County Fireman's Association, to advertise for bids on equipment for the Clermont Harbor, Waveland, Diamondhead and East Hancock fire departments.

—increased insurance coverage for the county's piers to \$500,000 for bodily injury and to \$100,000 for personal

property damage, a \$250,000 increase costing the \$124 more per year.

—reimbursement to Alcan Cable Co., Bay St. Louis, for county taxes paid.

—exemption from ad valorem taxes to United Gas Pipeline Co.

—issuance of several notary bonds.

—an easement to South Central Bell to dig underneath a county road in District 4 in the Kiln area.

—an emergency bid for a new motor in a Hancock County Sheriff's Department patrol car. Low bidder was Schuffert-Pontiac-Buick-GMC of Waveland.

Editorial

John A. Scafide

Last Thursday was a sad day for many of us in Bay St. Louis. It was the day that John A. (Baby Grand) Scafide was placed in his final resting place.

Mr. Scafide was known throughout the United States, his name appeared on the sports pages of every major newspaper in the Country during the 1930's and 1940's.

A native of Bay St. Louis, he served as mayor for 16 years. Of course he had 'political enemies,' but they too respected him because he was the type of person you could talk to even if he disagreed with your opinion.

As mayor of Bay St. Louis, big strides were made toward the growth which is taking place today. He worked side by side with the employees of the City, was on the street with them and many times drove the road graders.

Having received many honors as high school football player at St. Stanislaus and then as an All-American at Tulane, (played with them in the Rose Bowl), then as a professional football player, coach and scout, a high school football coach at Bay High, he always had time for children.

A person could meet him on the street and he was always willing to talk and take the time to listen even after leaving the office of mayor.

He was a true native, and left everyone knowing that Bay St. Louis was his home, a place he was very proud to be associated with as a citizen and as mayor.

In 1934, Mayor Scafide joined in with the business people and residents of Bay St. Louis as well as other political leaders to celebrate the Centennial of Bay St. Louis. He helped make the celebration one which will be long remembered.

Mr. Johnny, as many of us called him as mayor, was dedicated to his church, family, country and community.

He served on many boards of area organizations, anything to help make Bay St. Louis a better place for us all.

The nickname 'Baby Grand' which he picked up in college stayed with him the rest of his life, and he probably was identified by it more than his real name by sports fans across the nation.

Mr. Scafide was a person we as citizens of Bay St. Louis, can all be proud of having had served us as mayor and one we will always remember.

LANDMARK FACE LIFT - The steeple of the Main Street United Methodist Church undergoes repairs in preparation for a new roof. Dillman, Inc. workmen James Harville on ladder and Vester Ladner remove old roofing Monday. The church, constructed before 1900, is the oldest church building in continuous service in Hancock County. Plans call for a lead coated copper covering for the steeple and replacement of the entire church roof. Pastor of the Main Street United Methodist is Rev. Willis Britt.

Opinion

The editorial page

Washington report

By Congressman
Trent Lott5th District,
MississippiDOING SOMETHING
ABOUT BUREAUCRACY

Stories about the giant federal bureaucracy and excessive government regulation are more than just tall tales. They represent very real problems facing anyone engaged in trade as a means of earning a living. Help toward solving those problems came last week when the House Rules Committee turned its spotlight on the Federal Trade Commission (FTC). The FTC has been operating without specific new funding for the past two years because the last Congress failed to enact the necessary legislation.

This was one of those cases where the proposed funding for the next three years, \$240 million, is overshadowed by crucial new provisions of the legislation. Several of the provisions became focal points for those of us in Congress working to reduce the size of the federal bureaucracy.

First, the bill contained a procedure we call the legislative veto, which gives Congress the direct authority to stop some of the many rules that federal agencies often come up with. The procedure says that Congress can veto an FTC rule if both houses disapprove within 90 days, or if one house disapproves within 60 days and the other fails

to overturn the action within 30 days. In addition, language in the bill required the Library of Congress to report on how the legislative veto is working so that Members of Congress can have up-to-date information on the subject.

The legislative veto, I believe, is one tool Congress could use to force some accountability and responsibility into the inner workings of the federal bureaucracy.

The FTC bill was significant for other reasons, too. It contained a version of "sunset," similar to a broader proposal now under study by a Rules subcommittee on which I serve. Sunset, when implemented government-wide, will require a periodic review of federal program and termination of those found to be duplicative, wasteful or ineffective.

The version of sunset in the FTC bill would require that agency to review all of its rules to determine if they are still needed or should be changed. Inclusion of these key provisions in the FTC bill indicate to me that Congress is beginning to respond to the American people's desire for less government which costs less. Finding the means to control the federal bureaucracy will be well worth our efforts.

To The Editor

Highway Dept. plans to correct dangerous intersection

November 6, 1979

Ellis Cuevas
Editor
Sea Coast Echo
124 Main Street
Bay St. Louis, MS 39520

Dear Ellis,
Enclosed is a letter from the Mississippi State Highway Department dated November 2, 1979. I thought that maybe some of the readers of The Sea Coast Echo might be interested in the plans that the Highway Department has made to improve the safety on Beach Boulevard and Highway 90.

Sincerely
Larry J. Bennett
Mayor

Enclosure

November 2, 1979

Honorable Larry Bennett
Mayor, City of Bay St. Louis
Bay St. Louis City Hall
Bay St. Louis, Mississippi 39520

Dear Mr. Bennett:
This is to confirm our conversation on October 31, 1979, at which time we discussed our recommendations for the reworking of the signal installation on U.S. 90 at Beach Boulevard in Bay St. Louis.

As a result of our investigation of this intersection, we make the following recommendations which we feel will help relieve the present accident problem we are experiencing at this location.

1 - The Highway Department will rework the signal installation to provide 12" signal heads that will be tied down at the bottom of the signal heads utilizing a strand of cable. An actuated controller will be installed which will allow us to actuate the side street approaches as well as the left lane for westbound traffic on U.S. 90.

IMPORTANT - we will remove the protected left turn indication for eastbound traffic on U.S. 90 due to the extremely small volume making this movement.

The elimination of this unwarranted protected left turn indication will significantly reduce the probability of a rear-end collision for westbound traffic on U.S. 90 since the red time for westbound traffic will be reduced considerably.

The turning movement count and collision diagram substantiates this part of our overall recommendation. Taking into consideration our present schedule of our signal crew, the anticipated problem we will have with the weather, etc. we should have the signal installation re-worked by the middle of January, 1980. Hopefully we will be able to complete our work prior to that date.

We appreciate the interest and concern expressed by both the City of Bay St. Louis and the Chamber of Commerce.

If we can be of further assistance, please feel free to call upon us.

Sincerely,
Robert W. Mosely, Assistant
Traffic Control &
Safety Engineer

cc: Commissioner W.H. Pyron
Mr. Frank H. Santmyer, District Engineer
Mr. Dan Hillman, District Maintenance Engineer
Mrs. Jerry Benigno, Executive Secretary
Hancock County Chamber of Commerce,
P.O. Box 103, Bay St. Louis, MS.

Gratitude expressed for clothing drive publicity

November 6, 1979
Waveland, Miss.

Dear Ellis:

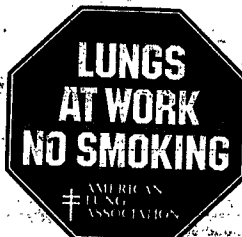

I am enclosing a letter of thanks I recently received from the Pascagoula Salvation Army thanking me for the food and clothes Earl and I took over there.

Thanks to your nice appeal we had a truck full of good clean clothes and good canned goods, juices, tea, coffee, paper materials, baby food, etc.

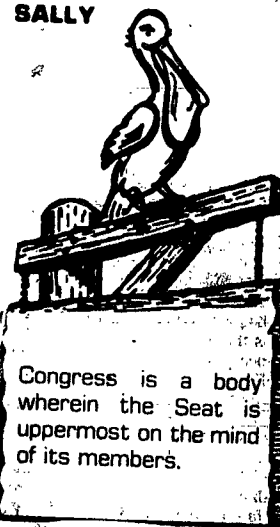

Thanking you again,
I am
Respectfully,
Nina Garcia

Stop signs are to be observed by everyone, even bicycle riders, according to Bay St. Louis Chief of Police Douglas Williams.

We have observed numerous students on their way from home 'darting across intersections running stop signs and the chief said his office will start issuing tickets if the practice isn't stopped.

We have to agree with Chief Williams, children on bicycles should be taught how to observe traffic regulations before they are given the riding machines by parents.

The saddest thing around is having to cover a story of a child having been hit on a bicycle. Even if the person driving the car or truck isn't at fault, it is something they have to live with the rest of their lives.

Parents, remind your children the importance of observing traffic regulations. You could save their life.

Well, once again it is Homecoming time for both Bay High and St. Stanislaus. We hope all of you will do your best to attend the game of your favorite team tomorrow night.

The Tigers and Rock-A-Chaws need their supporters in the stands, so try and cheer them on to victory for Homecoming.

It has been a very long election period for the people of Hancock County and we have had many to tell us they are glad it is now all over with on a local level for four years.

Of course, the presidential election will be coming up in November of 1980, so we won't be without politics for very long.

The Bay St. Louis Rotary Club will have a 'Junk Sale' Saturday at the Highway 90 Branch of Hancock Bank.

Someone a long way back described junk as being a treasure for someone else, or something like that. Well, if you are interested in getting some good bargains, drop by and check their stock over.

The little extra early preview of the Wave Pool at Buccaneer State Park has really stirred the curiosity of many residents, including us.

We cannot wait until it will officially open next Spring to try it out. It was too bad we were able to try it out last Monday.

Fred Wagner, architect and his associate Jules Lagarde should be commended for their design of the facility.

Greg Smith, park superintendent, is probably envied by the rest of the Mississippi park superintendents for having one of the most modern swimming pools in the nation.

We know Waveland resident Perry Gibson, former chairman of the park commission is proud of the facility, especially since he personally had so much to do with it being constructed in Waveland and Hancock County.

REALTOR

LET THERE BE LIGHT

Your telephone rings. It is your REALTOR saying that he is coming right over with a prospect. You hang up with a prospect. What's the next thing you do? Turn on every light in the house. Why? Because you want to give the prospect the best image you can of the comfort, beauty and livability you are offering. In other words, you want to sell a home not a house. And full illumination is the best way to give your home that "lived-in" look. Furniture and rugs and fixtures take on a warm glow from the proper lighting. Here are a few "bright" ideas: Turn on every lamp in the living room, bedrooms and family room. Be careful about turning on the overhead lights in these rooms for it could be harsh and make the room look uninviting. Turn on every light in a storage room or closet. Go all out in illuminating the kitchen-the cheerier the better. Brighten up the bathroom too-but carefully choose the right wattage for bulbs by the mirror, pick the most flattering one. Remember, it's just as important to have lights on in the afternoon as it is for a night-time showing. If there is anything we can do to help you in the field of real estate, please phone or drop in at PRESSMAN REALTY, 1332 Hwy. 90 W., Waveland. Phone 467-2224. We're here to help! Paid Adv.

Wendall and Geraldine Smith are shown accepting delivery of their new Chevrolet Chevette from Turan-Lane Chevrolet salesman Carlross Carter. "We were convinced that the Chevrolet Chevette was the economy car we wanted to buy. After looking over the inventory in Slidell and Picayune we decided to try Turan-Lane Chevrolet in Bay St. Louis. We were greeted by salesman Carlross Carter who showed us a new Chevette that we liked very much. Carlross also gave us a good price and arranged our financing through the Hancock Bank. We are very pleased and would like to recommend Carlross and Turan-Lane Chevrolet. For Courteous, Friendly Treatment.

OLA turkey dinner is slated Sunday

Our Lady of the Gulf Cafeteria will be the site of the Annual Turkey Dinner, which is sponsored by Our Lady's Academy Parent-Teacher organization.

Dinners will be served from 11 a.m. to 2 p.m. on Sunday, Nov. 11. Benefits from this event will help to build a covered walk-way between the two main buildings on the Academy Campus.

The meal will be prepared by the professional chefs of Diamondhead and will feature

a culinary treat of homemade cornbread dressing and turkey.

Homemade desserts and drinks will also be available. A wine basket called "A Basket of Cheer" will be raffled at the end of the evening.

Take-out dinners will be available at no extra charge. Tickets may be purchased at the door for \$3.00, and children under 12, \$2.00.

Every one is invited to come out and enjoy a delicious meal at an economic price.

News from the Church of St. Ann

A thought for the day from the library of Father Canisius Hayes, pastor St. Ann's Parish.

The genius of communication is the ability to be both totally honest and totally kind at the same time.

Powell

Religious education classes resumed this week and are being held on Tuesdays for grades first through fourth and Thursdays for grades fifth through eighth in parish hall immediately after school.

St. Ann's Altar Society meeting has been postponed to Monday, November 12, at 7:30 p.m. in parish hall.

All members are asked to attend as officers for the

coming year will be elected and important matters will be discussed.

Mrs. Madonna Boos, chairman of St. Ann's Parish yard sale, announced the sale will be held November 16 and 17 in front of the 'Lil Shop, Highway 90, near Waveland Avenue.

Choir practice is held at 7 p.m. every Tuesday in St. Ann Church. Father Hayes is asking anyone interested in joining the group to attend.

Mass Schedule—St. Ann's Church—Sunday Masses—Saturdays 5 p.m. Sundays 9:15 a.m. St. John's Church, Lakeshore—Sundays 8 a.m.

St. Clare's Parish News

The Sodality of Our Lady of St. Clare's Parish will hold its monthly luncheon and social at noon Wednesday, November 14, in parish hall with Mrs. Eugene Dornain, as chairman.

Mass Schedule, St. Clare Church.

Sunday Masses—Saturdays 6 p.m. Sundays 7, 9 and 11 a.m. Mondays, Tuesdays, Thursdays and Fridays, 7 a.m. in convent chapel.

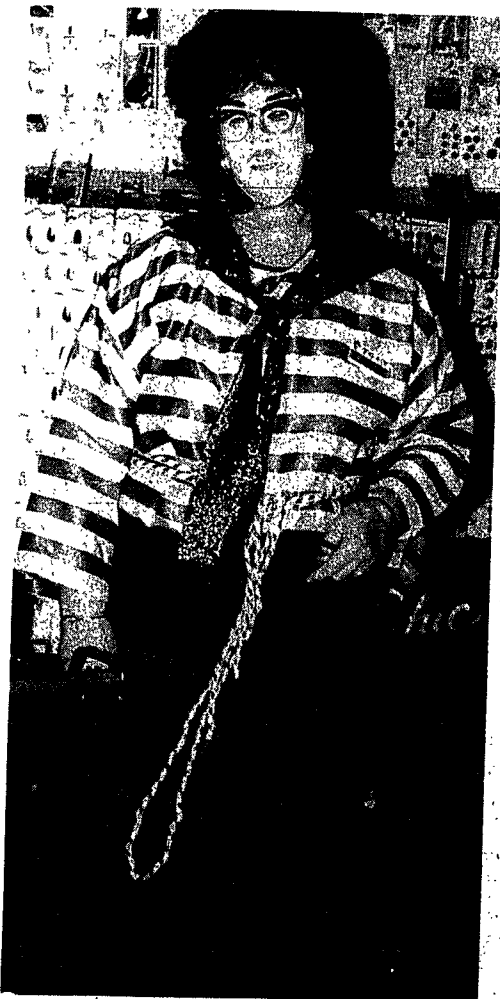

Wednesdays, 8:45 a.m. in church.

Confessions—Saturdays 5 to 5:30 p.m.

Baptisms by appointment by calling the rectory, 467-9275.

St. Henry's Mission—Mass Saturdays 7:30 p.m.

Religious education classes for grades first through sixth are held from 3 to 4:15 p.m. on Mondays and for grades seventh and eighth from 7 to 8 p.m.

WONDER WOMAN—Everyone was wondering who wonder woman was at T.G. & Y. in Bay St. Louis for Halloween. After an investigation through process of elimination and checking with mini-cop, Lucille Boudreaux was determined to be Wonder Woman. (Staff photo—Ellis Cuevas)

OLA TURKEY DINNER—Elizabeth Williamson, a student at Our Lady's Academy, displays a poster for the Academy's Turkey Dinner. The dinner will be conducted in the Our Lady of the Gulf cafeteria, Sunday, November 11, from 11:00 a.m. - 2:00 p.m.

STEVE AND PHIL—Rick Trudel and Hansel Baxter rehearse a scene from "Finishing Touches". The professor's son discusses parental reaction to their visit with his friend Phil. (Photo by Bob Hubbard)

Finishing Touches opens here

By WAYNE DUCOMB JR.

Nov. 15, 16 and 17 the Bay St. Louis Little Theatre will present "Finishing Touches" at 8:15 p.m. each evening, at the old barn theatre, Boardman Avenue, Bay St. Louis.

The dramatic comedy, directed by Susan Smith, a Loyola University drama major, is about a professor and his wife going through a mid-life crises and their problems with modern morality.

The play, written by Jean Kerr, is the story of the Coopers.

The husband, a university professor, is stupified over a young girl in his poetry seminar.

Torn between his dreams and his realities he presents his dilemma to his wife Katy. On the same day son Steve brings home his live-in girlfriend Phil (Felicia Andrayson) a beautiful and free spirited actress.

The difficulties of desire,

students added

Ruth Mattox, a first grader at Charles B. Murphy Elementary School in Pearlinton, and Troy Ladner, a seventh grader at Gulfview Elementary School in Lakeshore, were inadvertently omitted from those school's listings of honor students during the first nine week term as listed in the Sea Coast Echo.

NCO wives schedule bazaar

The annual NCO Wives' Club Bazaar will be held November 13, at the Keesler NCO Club in Biloxi from 5 p.m. to 11 p.m.

Gifts and baked goods will be offered for sale from several booths such as the General Store, the White Elephant Sale, the Cake Walk, the Christmas Arts and Crafts Store, the Candy Store, the Plant Table and the Book Store.

Door prizes will be awarded every hour.

Proceed from the bazaar will go to a scholarship and charity fund.

More information can be obtained from Paul April at 432-1878.

Bay residents named Outstanding Women

The board of advisors for the Outstanding Young Women of America Awards Program recently announced six Bay St. Louis women have been selected for inclusion in the 1979 edition of the annual publication "Outstanding Young Women of America."

The six women are: June Lang Dearman, 136 Sixth Street.; Janet Kathleen Chapman, North Bay Apt. 18; Prima Wusnack, 240 St. Charles St.; Mary M. Perkins, 309 DeMontiluzin St.; Eleanor Turnipseed Baran, 2117 Cedardale, Baton Rouge, La.; and Roberta Juanita Harvill, Port Sulphur, La.

The Outstanding Young Women of America Program is designed to honor and encourage exceptional young women between the ages of 21 and 36 who have distinguished themselves in their homes, their professions and their communities. Accomplishments such as these are the result of dedication, service and leadership - qualities which deserve to be recognized and remembered.

This is the goal of the many leading women's organizations, college alumni associates and public officials who nominate deserving young women to participate in the program. Serving as chairman of the program's Advisory Board is Mrs. Dexter Arnold, honorary president of the General Federation of Women's Clubs.

The women listed, along with approximately 15,000 fellow Outstanding Young Women of America from across the United States, will be presented in the prestigious annual awards volume.

In addition, they are now being considered for one of the fifty-one state awards to be presented to those women who have made the most noteworthy contributions in their individual states.

From these fifty-one state winners, the Ten Outstanding Young Women of America will be chosen. The ten national winners will then be honored at the annual awards luncheon to be held this fall in Washington.

WELCOME WAGON'S FIRST VISIT—Margery Darling, left, Welcome Wagon representative in the Bay-Waveland and Diamondhead area, visited her first family Monday, Dr. and Mrs. G.W. Rapp, 301 Felicity Street, Bay St. Louis. The Rapps recently moved to the Bay from Illinois. (Staff photo-Ellis Cuevas)

Welcome Wagon makes first visit

By ELLIS CUEVAS

The 'Welcome Wagon' has arrived in Hancock County. Margery Darling, a resident of Diamondhead Community, is their representative.

Welcome Wagon International is the largest greeting service organization, with more than 8,500 hosts and hostesses calling on 1.5 million households annually.

The business which sponsor a Welcome Wagon Hostess invite newcomers to visit their stores and receive a free gift, after a call by the Welcome Wagon representative.

Newcomers enjoy a visit from the Welcome Wagon hostess. She is a friendly face in a strange place; she tells them where to go for the things they want.

Sponsors for the Welcome Wagon include The General Store, Kinn-DeLisle

Road; Gulf Thrifty Drugs, Taconi's Hardware, The Eatery, Mailfoto Camera Center, W. A. McDonald and Sons Furniture Showroom, Ellen Kane Gifts, Servicemaster Cleaning Services, Princess Dress Shop, Edmond Fahey Funeral Home and the Sea Coast Echo, Bay St. Louis.

Ms. Darling will be seeking additional sponsors for Welcome Wagon. Businesses interested can contact her at 255-1583 after 6 p.m.

Welcome Wagon calls on people who have just moved to a new location.

A relative newcomer to our area herself, Ms. Darling has resided at Diamondhead since 1976. Her husband, Captain David Darling, is attached to Naval Oceanographic Command. Their son Chris, age 13, is a student at St. Stanislaus.

Waste water.....
Luis looking at an overall authority to have the responsibility to meet the requirements by Congress.

The big business of the Council meeting got underway a little late due to the fact that Mayor Bennett, Councilmen Farve and James Thriftly and Board Attorney Joseph Gex were unable to enter the building due to a faulty lock.

Fire chief Richard Fayard in the Council chambers awaiting a vote on a new fire engine for his department had to summon Assistant Fire Chief Andrew Lizana to 'jimmy' open the door. The delay was for about 15 minutes.

Council president Benvenuti stuck to the normal starting time for the governing body and proceeded without the other members, handling routine matters until they were able to enter City Hall.

When all the council members did obtain access to the chambers, the bids for a new fire truck were discussed in a letter of recommendation from chief Fayard, which was requested of him and the mayor at the last meeting.

The fire department preferred the Mack Truck bid submitted by Mossa Equipment Company, whose bid was \$87,080.

Reasons given was that the currently used Mack truck has given the department very little trouble, and the one bid on was according to the specifications. Southern Fire Equip-

governor's nominee received 4,271 vote to Republican Gil Carmichael's 3,124 in Hancock County.

A complete box break down on Hancock County's voting is on Page 6-A of today's issue.

All returns are unofficial and the Hancock County Election Committee's scheduled to meet at 6 p.m. today to certify the count.

Henry Otis, Circuit Clerk stated Wednesday afternoon that, "I hope the length of time that the managers in the various precincts to count the ballots and bring the returns to the courthouse will help to expedite the matter of the County updating the voting procedures. A computer punch card system which other Counties throughout the Country have used for many years, in expediting the returns."

"In the first primary 1975, Hancock County did not have the final returns until 13 hours after the polls closed. Jackson and Harrison Counties, with more than twice the voters, using the punch card system of voting had completed the count, reported the returns to the media and left their courthouses in less than three and one-half hours," Otis added.

Voter turn out was about 50 percent, according to Otis.

President plans personal review

Space shuttle firing unsuccessful; further tests remain unscheduled

By RICH ADAMS

A new firing calendar for the problem-plagued space shuttle's main propulsion system is temporarily postponed "for a couple of weeks or longer" due to Sunday's failure during a test firing at the Hancock County National Space Technology Laboratories.

Christine Duncan, a public information specialist at Marshall Spaceflight Center in Huntsville, Alabama, said the most recent failure of the propulsion system has caused a setback in the testing procedures.

"Talks are still going on. At this time we have not heard what the decision is about what steps to take next," Duncan said Tuesday.

"We have not rescheduled the calendar as of yet, and probably will not be able to do so for the next couple of weeks or longer," she added.

A scheduled 510-second static firing for the system was terminated here Sunday nine seconds into the firing after a sensor made an automatic cutoff due to excessive pressure in a seal cavity of a high pressure oxidizer turbo pump on the number three engine.

During the cutoff sequence engine number one was damaged extensively when a hydrogen line ruptured near the base of the engine nozzle.

Since the time the damage was incurred Sunday, President James Carter announced he will personally review the troubled space shuttle project.

A few months ago, the president probably wouldn't have taken such a personal interest. But the shuttle is becoming more and more vital to national defense, and the White House is counting on it as a major tool to verify Russian compliance with arms limitation agreements.

Carter also wants to know about technical, financial and management problems that have plagued the shuttle

and about safety questions raised by a team of White House consultants who recently investigated the project.

One of them, former astronaut William Anders, said the first manned flight of the shuttle will be riskier than his flight on Apollo 8, man's first trip to the vicinity of the moon.

Dr. Robert A. Frosch, administrator of the National Aeronautics and Space Administration, will brief the president next week. He told a congressional committee last week he would request a "several hundred million dollar" addition to NASA's budget to help put the program back on track.

Carter is expected to endorse the shuttle and the extra money because of the national security aspects.

There are a lot of heads hanging down around here," said an official at NASA headquarters Monday. "That failure was a big disappointment."

The engine is expected to be shipped to the manufacturer's plant in California for thorough inspection and repair.

According to Robert E. Lindstrom, manager of the shuttle projects office at Marshall Space Flight Center, it will be several days before a decision can be reached on the hardware to replace the engine.

Frosch told the congressional committee last week, "There is a risk, and this is a point I need to discuss with the president."

Among the risks he said are the fact that the first orbital flight of the shuttle will be manned, in contrast to previous programs that were preceded by unmanned space tests. It would be very difficult to fly the shuttle unmanned because of its complexity, he said.

"I assure you there will be no flight until there is a stringent safety certification," Frosch said. "I do not propose holding to a schedule at the expense of delays."

The shuttle originally was to have flown its first manned orbital flight last March. But problems with the engine, electronics, thermal protection and

School board rejects oil bids

By WAYNE DUCOMB JR.

The Hancock County School Board rejected all bids received on 16th section lands, at their regular meeting Monday night, after a Jackson attorney questioned the legality of the bids.

After an executive session was called by the board to discuss the bids, Attorney Leslie Southwick, from a Jackson law firm representing an anonymous client, questioned the board's advertising procedure for the leases in question.

"I would recommend that bids not be accepted until the proper advertising takes place," Southwick stated.

School Board Attorney Joseph Gex immediately advised the board to reject all bids and send all bids back to the firms or individuals concerned.

The board concurred with Gex's advice.

School Superintendent Terry Randolph objected to the board's decision because the changed meeting time was advertised in last Sunday's issue of The Sea Coast Echo.

Southwick contended that "there was substantial delay" in advertising the board's changed meeting time and "there has been a lot of litigation" in similar cases.

The meeting time was changed in March.

"There is enough acreage and money involved here to wait another month which will also expand the field of possible bidders," Southwick added.

Randolph again cited the meeting time change and requested bids be reviewed at the next regular meeting.

Gex reiterated that the entire process of advertising the meeting time change and the advertisement for bids had to begin all over again to avoid possible legal problems with the leases.

The board unanimously agreed to readvertise the changed meeting time and at the December meeting authorize the bids for January.

The school board also unanimously passed a resolution reconfirming a 16th section lease agreement with General Crude Oil Co.

A problem arose over an irregularity in the minutes of a meeting in which General Crude leased minerals in Section 16, Township 9, Range 16.

The resolution authorizes the Mobile Oil subsidiary to file suit removing a cloud from the title and clarifies the meeting minutes regarding the transaction.

Company representative Walton Sanchez said the company is planning to drill on the property and that his company felt obligated to clarify the matter for all parties concerned.

Gex said that Mobile would pay the legal fees involved of some \$500.

In other business the board unanimously:

—rejected all bids received for five school buses being sold and agreed to readvertise the buses on an individual basis.

—took under advisement the purchase of a refrigerator.

—authorized Stinson Fence Company to do various fencing repair work at Hancock North Central amounting to \$425.

—requested that D.J. Martin, agriculture teacher at HNC, appear before the board at their next meeting to discuss his lease agreement on the house the board rents to him.

—agreed to table a request by students asking the board to purchase an advertisement in the program for the Wendal Ladner Bowl.

F&AM, Long Beach; and past Exalted Ruler, Gulfport Lodge No. 978, BPO Elks.

The king and maids will formally be presented to the 100 plus Triton membership at the Annual Carnival Ball on Sat., Feb. 16, 1980.

Previous kings of the Krewe are E. P. (Hungry) Exnicious, Ray Kidd Jr., Eddie Scanlon, Fred Peterman and in 1979 Lynn McGeehee.

Maid Marie Fayard is the daughter of Mr. and Mrs. Reginald Fayard, Waveland, and attends Our Lady's Academy.

Maid Catherine Augusta Scanlon is the daughter of Mr. Edward W. Scanlon and Mrs. Catherine Scanlon, Waveland. She is a graduate of Riverside High School, Jefferson Parish, La.

Maid Sherrill Elliott Kelley is the daughter of Mr. and Mrs. Russell Elliott, Bay St. Louis. She presently attends Phillip's College, Gulfport.

Maid Celeste McKenzie is the daughter of Mr. and Mrs. J. B. McKenzie, Billings, Montana and the granddaughter of Mr. and Mrs. Haskell Doyle, Waveland. She is a student of Our Lady's Academy, Bay St. Louis.

Maid Helene Stephanie-Marie Hille is the daughter of Mr. and Mrs. Frank Hille, Bay St. Louis. She is a graduate of Our Lady's Academy and a senior at Southeastern Louisiana University.

Maid Anne Schott is the daughter of Mr. and Mrs. V. F. Schott, Waveland. She attends Our Lady's Academy, Bay St. Louis and is secretary of the Student Council.

Sewerage..... CONTINUED FROM PAGE 1A

Grover Allen, director of the Mississippi State Bond Commission countered, "We have confidence in this city council that unlimited taxation will be controlled by Waveland."

Alderman Louis Smolenski commented, "That's fine for now but, we are being asked to make a decision that will be forever. We can control taxing with our present board but, what about years from now when I'm not on this board?"

"How can I say this is the right thing to do if I don't exactly know how much we are paying for," Smolenski added.

Jackson Balsh, director of Gulf Coast Waste Water Regional Commission replied, "Endorsing the legislation Nov. 15 will give you a long deferment, you've just bought time. Then June 30 we ask if there are any takers."

"By endorsing the legislation forming this commission you will have the expertise available to you for any problems you encounter with your present system," Balsh explained.

Allen added, "All we are asking is that Waveland adopt a resolution supporting the commission in concept."

"We are trying to help municipalities on the Coast find a solution to the water pollution problem," Allen explained.

Allen added that opposition to the waste water commission would be like "fighting motherhood."

"If you want to present your own bill to the legislature the same time as the Coast waste water bill, we have no sense of conflict with a local waste

water plan. I will commit to you tonight in Waveland to do everything I can do to pass legislation for your own regional authority," Allen stated.

Allen commented, "Waveland will not be obligated to any fees by endorsing the legislation unless a contract is signed with the authority."

John Spence representing the Western Carolina Sewer Authority explained, "The commission would be similar to any other utility company."

Spence added, "The city would not have the responsibility toward maintaining the sewer system."

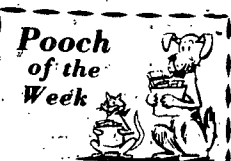

A portion of the resolution adopted by Waveland states, "The newest treatment facility on the Mississippi Gulf Coast is located in the City of Waveland and said facility has been designated by all studies to be the regional treatment plant for waste water in Hancock County."

In other business during the meeting in Waveland city hall on Coleman Avenue the council:

—Authorized the mayor to sign a resolution adopting a program for rehabilitation of the Middletown area;

—Authorized payment of consultant fees to Lewis and Eaton Partnership of Jackson amounting to approximately \$5,000;

—Accepted a proposal from Hancock Vo-Tech Center for construction of a portable building to be used as a senior citizen crafts outlet. Acceptance of the proposal is contingent on funding estimated at \$7,000;

Bay-Waveland Humane Society, Inc., has a German shepherd and a white Labrador retriever free to good homes. Further information is available by calling 487-9404.

Area Girl Scouts, Brownies conduct annual Outdoors Day at Bucanneer

Cook-off Judges Roger Dale Ladner, left, Scouting Executive Robert Nichols of Starkville, and Billy Sills try skills at chopsticks

By HILDA BOURG

The Bay-Waveland Girl Scouts celebrated their annual Outdoor Weekend at Bucanneer on October 26th and 27th. Five Junior troops and the Cadette troop checked in Friday afternoon.

After preparing their campsite and eating dinner cooked over grills, a Jack-O-Lantern carving contest was held. Each group consisted of three to five members of a troop. The judges for this event were Mrs. Sherry Schwabacher and Mr. Teddy Holmes.

The winners for the 'Funniest Pumpkin' were Tabitha Collins, Lacey Collins and Christine Ogilvie. These juniors are from Troop 122 from North Bay Elementary.

Five members from Junior Troop 6 from North Bay won the prize for the 'Scariest Pumpkin.' They are Amy Magee, Kelly Cremer, Carol Ladner, Lisa Holland and Susan Miles.

The 'Prettiest Pumpkin' honors went to Tina Serpas, Denise Bourg, Melanie Henley and Missy Johnson. These Juniors are members of the St. Clare Troop 97.

Each troop was given a paper bag with different items, and had fifteen minutes to produce a skit using every item in the bag. The judges for this event were Mrs. Alice Holmes and Mrs. Hilda Bourg.

The winners of this contest were a combination of Cadette Troop 429 and Junior Troop 6. They presented a skit about a fishing trip.

After the evening program was concluded, the scouts went trick-or-treating around the campsite before lights out.

On Saturday morning, the campsites were judged for neatness, correct tent pitching, attractiveness and cleanliness.

Mrs. Ethel Schott, neighborhood chairman, announced the winners. Blue Ribbons were presented to Junior Troop 97 from St. Clare, Junior Troop 292 from Christ Episcopal and Cadette Troop 429.

Red Ribbons were presented to Junior Troop 122 and Junior Troop 6 from North Bay.

Junior Troop 32 from Bay Catholic won the white ribbons.

Nine Brownie troops arrived at 9:30 a.m. Saturday. Brownie Troop 453 from Bay Catholic raised the flag and led the songs. They were assisted by the Cadette troop.

The big event of the morning was to prepare for the cooking contest which was to be judged at noon. All the preparations had to be performed by the members of the troops, without adult help.

The judges for this event were Billy Sills, Roger Dale Ladner, Robert Nichols of Starkville and Ms. Jean Woods of Wiggins, field advisor of the Gulf Pines Girl Scout Council.

Council.

The first grade Brownies prepared a dessert which required no cooking. The Grand Prize winner was St. Clare's Troop 314 with a Pistachio Pudding. They received a ribbon and a cookbook.

Second place went to Troop 102 from North Bay with a dessert called 'Pink Stuff.'

Troop 93 from Gulfview won third place with a Fruit Whip.

The second and third grade Brownies had to prepare sandwiches. This category was divided into the fancy and the regular sandwiches.

The Grand Prize winner of the fancy division was Troop 478 from St. Clare's with 'A Lazy Daisey Sandwich.' They won a ribbon and outdoor hot dog toasting forks.

Troop 476 from Waveland won second place with the pig, Chicken and Trefoil-shaped sandwiches.

The 'Bugs on a Log' won the third place for Troop 8 from North Bay. Troop 460 won an honorable mention with their Hors d'Ouvres.

Troop 314 from St. Clare's won the pop corn popper for their Grand Prize entry of New Orleans Po Boys in the regular division.

Gulfview Troop 93 used an outdoor microwave oven to warm their 'Dogs-in-Cheeses' for second place honors. The ham, cheese and tuna sandwiches from Bay Catholic Troop 453 won third.

The honorable mention went to Troop 351 from Christ Episcopal for their 'Tea Sandwiches.'

The Juniors had to prepare an 'International Meal' over charcoal. The Grand Prize Winner was Troop 122 from North Bay. They prepared an oriental meal and won an outdoor microwave oven. The main course was pepper steak served with chop sticks.

The second place winner was Troop 97 from St. Clare's with chow mein. Every judge was served hot mint tea with fortune cookies.

'Pigs in the Grass' prepared by Troop 6 from North Bay won third place honors. Honorable mention went to Troop 89 from Gulfview for Tacos; Troop 292 from Christ Episcopal with Spaghetti; and Troop 32 from Bay Catholic with French Stew and Island Chicken.

The Cadette troop had to use three different methods of cooking their meal. They used the microwave oven for the sausage-cheese Hor d'Ouvres, corn bread and peanut butter cookies. The cinnamon apples and potatoes were cooked in foil. The fish was fried in a pot over charcoal.

Their Grand Prize winner was the 'Sausage-cheese Hor d'Ouvres. They received an outdoor grill.

At the closing ceremony a circle was formed. Inside the circle were daisies made by each scout and adults participating. On each daisy was

the scouts' name, address and phone number.

The scouts walked in a circle holding hands singing "Make New Friends."

At the end of the song, each scout stopped and picked up the daisy in front of her. This scout became her daisy friend.

During the year, they write each other and remember their daisy friend on special occasions.

The founder of Girl Scouting in America was Juliette Low, whose nickname was "Daisy." This is the reason the scouts make the daisies.

On October 31st is Juliette Low's birthday. The Bay-Waveland Neighborhood annual celebration in her honor is the Outdoor Weekend in which all the scouts in the Neighborhood participate.

Outdoors Day..... Continued from page-1C

North Bay Junior Troop 6 members Missy Johnson, Denise Bourg, Carol Ladner, Amy Magee, and Kelly Coemer

Members of Troop 122 receiving the grand award for cooking, an outdoor microwave oven, include, from left, Jacquie Doiron, Lacey Collins, Christine Ogilvie, Tabatha Collins, Alana Noonan, Angela Stinson, Elisa Spotorna, and Judge Roger Dale Ladner

Members of St. Clare's Troop 478 Brandy Gelpi, left, Tina Cheramie, Stacy O'Brien, Therissa Gagnon, Alison Miller, Cook-off Judge Roger Dale Ladner, Cissy Randolph, Shelly Weidman, and Susan Garcia

Final telephone repairs completed

The final group of more than 44,000 South Central Bell Telephone lines temporarily silenced by Hurricane Frederic were returned to service within one month of the day the violent storm slammed ashore between Mobile, Alabama and Pascagoula, Mississippi.

"South Central Bell repair crews restored two-thirds of the affected telephone lines within a week after the hurricane," said Frank Edmonds, Mississippi vice president. "It was a costly restoration job for us as we sustained over eight million dollars in damages to our facilities," Edmonds said.

Skilled employees from Kentucky, Louisiana and Tennessee were brought in to assist Mississippi installation and repair forces which worked around the clock in the hurricane-devastated areas until restoration was complete.

"Since Bell equipment and procedures are standardized throughout the nation repair crews dispatched from other South Central states or Bell System companies can go to work with a minimum of delay in service interruption situations," Edmonds said.

Edmonds added that the telephone service restoration in the hurricane-damaged areas would also have been much more difficult without the support and cooperation received from two other Bell System partners—AT & T's Long Lines department and

Western Electric.

"For example, Long Lines' help in effectively managing the flow of calls into and out of the stricken area after the hurricane hit enabled many essential telephone calls to be completed despite congestion on the network," Edmonds pointed out.

"And on a moments notice Western Electric's Materials Management Center in Montgomery, Alabama, shipped an emergency supply of some 250 miles of service wire and cable to the Mississippi Gulf Coast. This shipment required 136 reels and 17 tractor-trailers to transport," he said.

Edmonds added that the Western Electric Distribution Center in New Orleans also shipped about 50 miles of strand—used to support aerial telephones calls—to the coast.

In addition, Western Electric distribution centers in Birmingham and Jackson, Mississippi, shipped needed material to the stricken areas.

Energy workshop slated today

Techniques for cutting energy costs and monitoring energy use will be presented to building owners, operators, and occupants at a workshop in the northwest area of the state today.

The "Class C Energy Audit workshop," to be held from 9 a.m. to 3 p.m. at the Washington County office of the Mississippi Cooperative Extension Service in Greenville, will offer written and verbal instructions, related publications, and on-the-scene practice in auditing techniques; the Extension Service office will be audited as part of the program. Audits are assessments of a building's energy use by its human and mechanical "systems."

Information on the program is available from John Fulcher, Washington County Extension Agent, at 332-0524, or from the Energy Extension Center, 325-3137.

Brief

Three Gulf Coast residents are among some 25 Phi Mu social sorority pledges inducted during recent formal rush activities at the University of Southern Mississippi in Hattiesburg.

They were Susan Oberkich, daughter of Mr. and Mrs. A.J. Oberkich of Long Beach; Ruth Ann Milazzo, daughter of Mr. and Mrs. Joseph Milazzo of Bay St. Louis; and Connie Lee, daughter of Mr. and Mrs. English A. Lee of Gulfport.

Diamondhead woman attends Salt II brief

Mrs. John McPhail of Diamondhead was among one hundred men and women invited to attend a briefing on Salt II at the White House on October 30th.

Senator Percy of Illinois and Senator Thad Cochran of Mississippi were also in attendance.

The President's National

Security Advisor, Brezezinski, and President Carter each spoke for forty five minutes on the importance of passing the treaty.

Mrs. McPhail is Vice-president of the Mississippi Federation of Republican Women and is State Organizational Director for Gil Carmichael.

Gulfport tax seminar set

Practical tax matters of concern to small business owners will be the focus of a workshop in Gulfport November 13 and 14.

Participants in the two-session workshops will meet from 7 p.m. to 10 p.m. at the Mississippi Gulf Coast Junior College, Jeff Davis Campus, in room 101-D. The class is sponsored by the Mississippi Research and Development

Center, the U.S. Small Business Administration, and General Business Services. Enrollment in the workshop is limited to the first 40 registrants. The fee of \$15 includes instruction and workshop materials.

Those interested should contact Marie Dean at the Gulf Coast R & D Center, telephone 864-3302.

Will you ever finish moving in?

You might not think so when the living room's still jammed with packing crates. But you will—and I can help. As your WELCOME WAGON Representative I can save you time and money. And brighten up your family with my basket of gifts. Take a break and call me.

SBA workshop slated tonight

A series of Small Business Administration (SBA) workshops will be held in the auditorium of First Mississippi National Bank (FMNB), 100 Hardy Street, Hattiesburg today, Nov. 13 and 20 from 7-9 each night.

The workshops are co-sponsored by the University of Southern Mississippi Department of Business and Industrial Programs and FMNB.

On Nov. 8 "The SBA-What it is and What it Does" will cover SBA loan programs, criteria and where and how to apply for SBA loans. Instructors will be Amos Crouch of Biloxi and Sid Spiro Jackson.

The Nov. 13 workshop will deal with cash flow: The statement, instructions for preparing a cash flow project and the difference between cash flow and income statement. Bobby Spikes and Tom Linke both from the Jackson office will be instructors. A crime Prevention Clinic

will be held Nov. 20 covering such topics as prevention of shoplifting and bad checks. Instructors will be Crouch, Hattiesburg municipal Court Judge, William Peebles and Forrest County Prosecutor George Phillips.

For additional information contact Donna Garvey, Southern Station, Box 5065, Hattiesburg, Miss. 39401 or at 801-266-4261.

The Pass Christian Pirates, following a 19-3 triumph over the St. Stanislaus Rock-A-Chaws, face a tough Long Beach Bearcat squad this week at Bearcat Stadium. Pirate Head Coach Bob Lumpkin said the game is extremely important to his squad, a game they must win in order to maintain a winning record for the season. The game is also important in that it is the final game of the season for both teams, and Lumpkin said this will result in a physical contest with all players going all out for a win.

"This game is more like a war, because there is no next week for either team," Lumpkin said.

"It will be a good winning season for them if they win, and for us it a win will ensure an even season at 5-5," he continued.

"It will be a very hard fought contest," he added.

The Pirates had problems holding on to the ball earlier in the season as they fumbled 17 times in two games at mid-season.

"If we can cut out mistakes, we can win. We just have to hold on to the ball," Lumpkin said.

"We are a running football team and we will have to make our running game go this week, with some serials mixed into the game plan," he added.

Gametime is 7:30 p.m. at Bearcat Stadium.

LIGHT MOMENT AFTER THE GAME-St. Stanislaus Head Coach Barry Jones, left, and Pass Christian Skipper Bob Lumpkin exchange laughs following a 19-3 win by the Pass eleven. Pass Christian faces Long Beach in their final game of the season while SSC hosts East Central for their homecoming contest. Both games begin at 7:30 p.m. (Staff photo-Edgar Perez)

Area ten-pinnners report standings

After eight weeks of competition, the Frozen Fires bowling team from Hancock County are the leaders in the Westsiders Bowling League which meet at Triangle Lanes in Gulfport.

The Fires have a three-and-one-half point lead over the Tween Us, and the Knock Knockers, Late Starters, High Hopes, and Spares follow consecutively, according to League President Danny Plauche.

Members of the Frozen Fires are Teresa Carr, Harvey Mitchell, Raymond Richardson, Merline Mitchell, and Jack Hall.

The Tween Us are composed of Hugh Carr, Christy Stringer, Ron Lusich, Mike Stinger, and Ray Lewis.

Knock Knockers are Jim Stringer, Carolyn Stringer, Norman Scott, Ray Bienville, and Mike Johnson.

The High Hopes is composed of Sue Mayfield, Robert McLain, Nikki Mayfield, Ed Blalze, and Mike Lewis.

The Spares include Don Blalze, Jo Thornton, Elmer Thornton, Gloria Mcatee, and Bob Goodsell.

Substitutes for the five teams are Benny Smith, Sonia Harp, Bobbs Dockery, Bill Sanders, and Roxanne Andry.

League President is Danny Plauche, Vice-President Teresa Carr, Secretary Carolyn Stringer, and Sergeant At

Arms George DuPont.

In team competition, high series honors in the top three slots go to the Late Starters with a score of 2,903, the second-place Tween Us with 2,843, and the Frozen Fires with 2,839.

High team game scores are 1,007 by the Frozen Fires, 1,002 by the Tween Us, and 1,000 by the Late Starters.

Robert McLain leads the men's league in high series with a 680, followed by Ron Lusich with 668 and George Dupont with 643.

High scoring in a single game by the men is Don Blalze's 247, closely challenged by Danny Plauche's 246 and

Bowlers-Page 2B

BKW pugilist disqualified

Nolan (Spider Man) Vince, a 22-year-old, 156-pound, Bay-Kiln-Waveland Boxing Club member, was disqualified 42 seconds into the second round of a

fight in Mississippi City Saturday night. Disqualification came as a result of one of the spectators yelling instructions from a front row seat, according to Head Coach John Whisenhunt.

"The disqualification came in the height of the fight when Al Hayes of the Hattiesburg Boxing Club was ready to go down," according to Whisenhunt.

The coach says Hayes was stunned by a right-hand lead when the incident occurred.

"The referee informed me that a boxer could not call in instructions while a match was in progress because he is an athlete and did not pay to get in the gym," Whisenhunt explained.

Keith Starita, a 23-year-old, 145-pound native of Bay St. Louis, lost a decision against Bill Blacken of Hattiesburg after going the distance in a three two-minute round bout.

"Keith was in command in the middle of the second round by bombarding his opponent with a two-fisted attack," Whisenhunt said.

"When they announced that Blacken was the winner, I could hardly believe it. That decision was a plain case of highway robbery," Whisenhunt stated.

"Keith was in fine shape. He had Vince-Page 2B

Hancock boxer records KO

Joe Pavolini of the Hancock Boxing Club felled Louis Batiste of the Morrero Boxing Club in 38 seconds of the first round Saturday night in Mississippi City.

The knockout was early in the scheduled three-rounder at the grade school gymnasium near Biloxi.

"Joe is one of the area's most experienced boxers and was the state open champion in 1977 and 1978," Head Coach Harvey Mitchell said Tuesday.

In addition to Pavolini's KO, Robert Mitchell of the Hancock Club lost a decision to Charlie Moran of the Biloxi Boxing Club.

Mike Stringer won another decision in a bout against Hattiesburg pugilist Saul Guice.

Area boxers who weighed in but did not see action were David Carney, Lenny Babineau, and Chris Reas.

Saturday the team will travel to Hattiesburg for a one-night match.

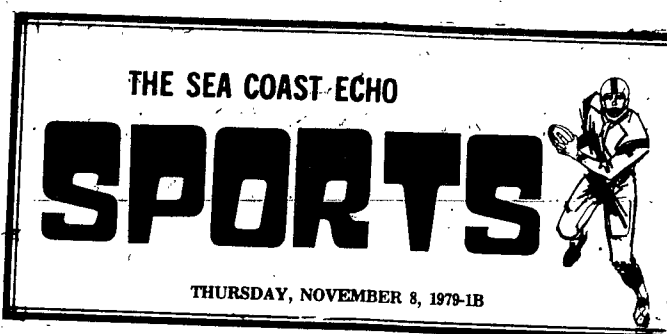

Pre-set matches will pit Stringer, the 1978 South Mississippi Golden Gloves Novice Champion against last week's foe, Saul Guice.

Mitchell may also see a rematch against Moran.

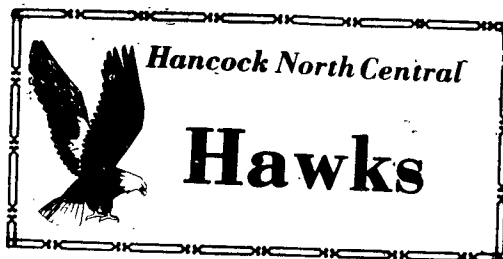

Others making the trip are Reas at 65-pounds and Pavolini at 106 pounds.

"It is doubtful that Joe will see action," Mitchell said.

Also making the trip will be Carney at 150-pounds, Babineau at 124-pounds, and Earl Ellis, a 132-pounder.

THURSDAY, NOVEMBER 8, 1979-1B

By RICH ADAMS
Sports Editor

Hancock North Central, coming from a 31-8 gutting of the St. John Eagles last week, face a rough Poplarville team in the Hawk's final game of the season Friday night.

The contest is important to the Hawks to ensure an even record of 5-5 for the season with a win, and Head Coach Irvin Favre said Tuesday he will put his best players against the Poplarville eleven in an attempt to win.

"Poplarville has the best backfield they have had in years, including Oliver Silas, a key 200-pound fullback," Favre said.

"He ran the 100 yard dash in track against Pass Christian's Gene Lang and Lang only beat him by one step. The rest of the backfield is not as big, but is quick," he continued.

"I believe our offense can move the ball against Poplarville, and I hope our defense can hold them," he added.

Favre said the Poplarville squad runs a wing 'T' offense and runs several misdirection plays to draw off the defense.

"They will fake one way and run the other," Favre said.

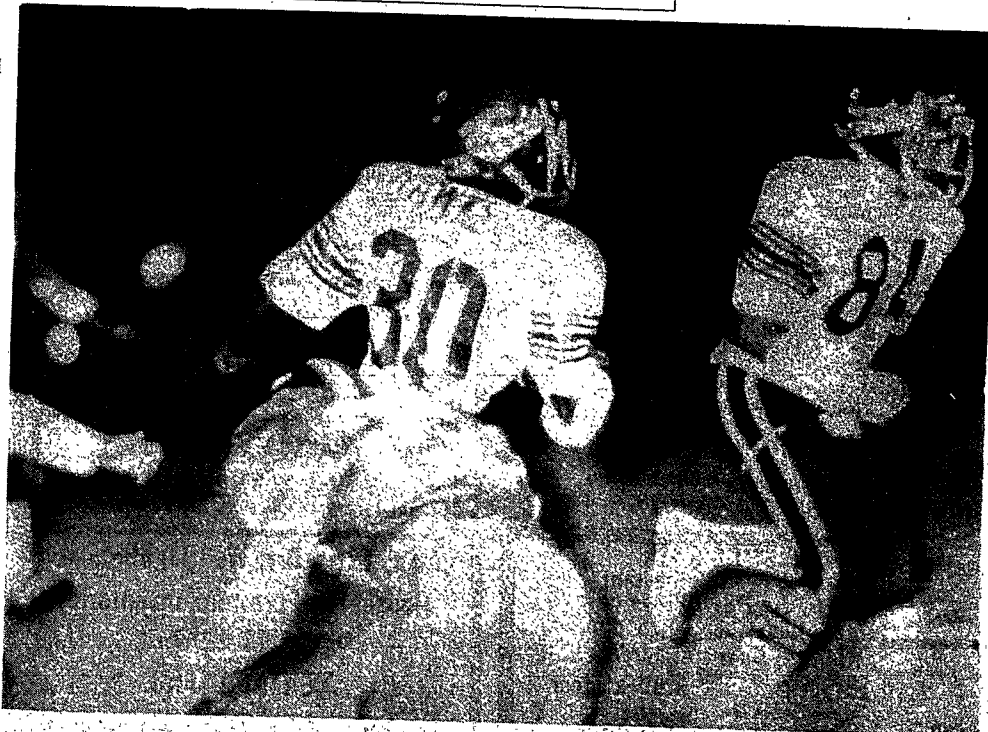

"I feel the key to winning is stopping Silas," he added.

Gametime is at 7:30 p.m. at Hancock North Central

BREAKING THROUGH-Hancock North Central Running Back Lloyd Henry evades St. John tacklers as he races for the first HNC score in a 31-8 rout of the Eagles last week. In their

By RICH ADAMS
Sports Editor

The Bay High Tigers, fresh from a 20-15 win over East Central last week, face the St. John Eagles in a homecoming match at Tiger Stadium tomorrow night.

Head Coach James 'Snuffy' Smith said he will begin the evening by initiating a veer offense with Chuck Benigno as quarterback, but may switch to power 'T' formations and replace Don Ginn as signal caller and move Benigno to running back.

Smith's offense may be hampered by Bruce Cain's injured ankle, and Smith said he is not sure how much the hurt defensive back and offensive end will play Friday.

"Practice has been going well, and we have a good mental attitude," Smith said.

"I do not underestimate St. John. They have a fine offense and defense, and perhaps the best nose guard in the conference," he continued.

"It will be a job in itself to block the big noseguard, but I will put Hewitt Parsons opposite him. He has a job cut out for him," he added.

Smith said the game is important, because the Tigers must win the final two games of the season to come out even in the records for the year, presently hosting a 3-5 record.

"It is important that we win this game, not only for the homecoming, but because we need the win to come out with an even record," the head coach said.

"We have a possible chance of defeating St. John," he added.

Gametime is at 7:30 p.m. with homecoming activities beginning at 7 p.m.

Bay cheerleaders at Superdome Sun.

The Bay Senior High School Cheerleaders will appear at Sunday's New Orleans Saints-San Francisco

49ers game at the Superdome to cheer for the Saints.

The Cheerleading squad is captained by Evelyn Bell and includes Kris Bludnick, Rhonda Smith, Scherell Necaise, Margaret Peranich, Zena Baker, co-captain; Christy Favre, Lauren Burns, Cheryl Crosby, and Alesia Smith.

The squad earlier attended the NCA Cheerleader's Camp and received straight superiors, the spirit stick, and the highest award, the Award of Excellence.

The girls also appeared on Barbara Sloan's 'Good Morning South Mississippi' television show.

Brief

PAST-HOMECOMING QUEENS

The Bay High homecoming queens from 1953 to present will be introduced at coronation activities of the Bay High-St. John homecoming game Friday night at 7 p.m. The event is sponsored by the Bay High Booster Club, which will conduct a registration of Bay High alumni following the game.

Laurie Gex, Elizabeth Santa Cruz, Rachel Gex (Queen), Whitney Johnston and Jennifer Caldwell.

Shutouts prevail during area soccer competition

Shut-outs were the order of the day as Bay-Waveland teams won two and lost three games in the third round of pre-season games.

The Christ Episcopal Raiders fell to their third loss of the pre-season competition as they lost a heart-breaker 1-0.

Robert Parker played a good game at wing, but the Raiders were unable to find the nets, as they were handed their third shut-out loss.

"We played hard, and had the ball in their territory about 80 percent of the game," remarked coach Alex Jones. "But we just had no luck in putting the ball into the net."

The Bay entry into the Under 16 age division also was handed a shut-out defeat as they fell 3-0. The loss made their pre-season record one win and two losses.

"We played a lousy game," commented coach Scotty Thomson. "We deserved to lose."

The Bay Raiders were also shut out by the same score, 3-0 by the Gulfport Rebels. Mike Vegas turned in a super defensive effort as he was matched against the Rebels' leading scorer the entire game.

"Burt Dean at halfback and Peter Neely and Dennis Cronyn also turned in fine game performances," the coach noted.

Tables were turned on the opposition by the Cobras as they recorded their second straight pre-season victory. Jay Artiegs netted five goals and Scott Demboski two as the Cobras rolled to an easy 10-0 victory.

Sean Foreman, Rob Becher,

and Josh Bowles also netted single goals for the Cobras. Another shut out seemed in the works for Bay teams when the Mulets were down 1-0 at the half-way mark of their game.

But Trey Kidd pumped in two goals in the second half and the Under 8 Mulets posted their third tie of pre-season competition and second by the score of 2-2.

The Mulets game against the Hurricanes was moved from Orange Grove to Norwood field because of the wreck of the truck carrying the lions and tigers for the circus.

Also contributing key roles for the Mulets in non-scoring capacity were David LeGros in goal, and Brain Martin and Tommie O'Brien at halfback positions.

Visions of defeat and a possible shut out raced through the minds of the Red Devils as they were limited to a team of nine players opposing a full squad of eleven Gulfport Rebels.

But Shane Foreman kicked in the first Red Devil goal with a sliding shot and all fears were quickly dispelled as the Red Devils continued on to an 8-1 victory while playing short-handed.

Foreman scored an additional four goals, netting five for the game and eleven in total.

three pre-season games to establish a torrid scoring pace. Kenny Sharp recorded the three other goals and new team member, Tom Walton, contributed four assists to the Red Devil scoring attack.

"It is hard to pick a particular star of the game when you play two men short and win 8-1," said coach John Helmers. "But our fullbacks were the key to the game."

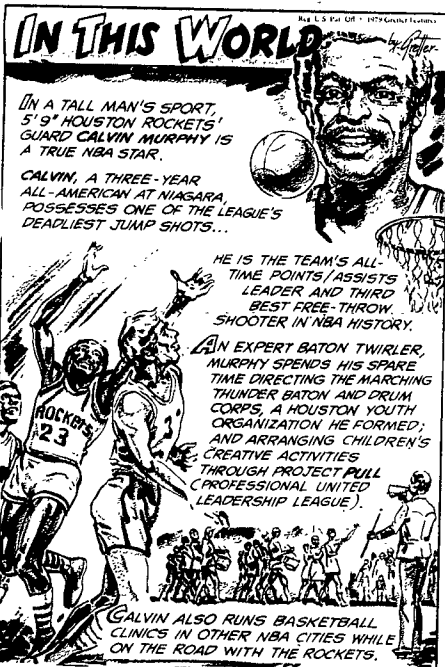

"They played shut-out ball in the first quarter repeatedly shutting off Rebel attacks by clearing the ball out of bounds, and then later in the game clearing the ball up the field to the front line and thus initiating the offense."

"There is no substitute for good team speed," concluded Coach Helmers. "We consistently reached the ball before the other team, and with the score 4-1 at the half, it was really 'Good night, Irene!' after that."

Glen Carapetian, Lisa Standiford, and Don Pitolo contributed excellent games at fullback positions for the Red Devils.

The Golden Eagles' game was postponed until Thursday Nov. 8 at 4 p.m. at Milner field in Gulfport.

The fourth round of season competition continues Saturday at Milner field.

Vince.....

CONTINUED FROM PAGE 1B

worked out five hours in a Pass Christian shipyard before coming to the match," he continued.

"We will be seeing a lot of good things of Keith in the future," he added.

Going all the way in a scheduled three-round match was Dan Kingston, an 18-year-old of Waveland who lost a close decision to 19-year-old Jim Hoyer.

"Dan kept the opponent in trouble all through the fight. If the bout had lasted 10 seconds longer, Hoyer would have been kissing canvas," Whisenhunt stated.

Traveling to the match but unable to get a bout were Nicky Slade, Jerry Carson, Dave Stringer, Bert Juneau, Dwayne Allman, Bobby Murhead, Steve Murhead, and Shane (Under Dog) Whisenhunt.

The Bay Club will visit Hattiesburg Saturday night.

Whisenhunt said the first Bay St. Louis Amateur Athletic Union-sanctioned 25-bill meet will be conducted Dec. 1. The location has not been determined, but 3 states will be represented at the meet.

Gex named SSC queen

St. Stanislaus will hold its 1979 Homecoming on Friday, November 9. All alumni of St. Stanislaus are invited to take part in the activities to be held on the campus of the school.

A Homecoming Parade is scheduled today at 4:00 p.m., and a pep rally will be held on the school campus tonight at 7:15 p.m.

On Friday there will be a cocktail party for alumni and friends of St. Stanislaus from 5:00-8:30 p.m. The homecoming game between

St. Stanislaus and East Central will begin at 7:30 p.m. The homecoming court will be introduced before the game and formally presented at half-time.

This year's homecoming queen is Miss Rachel Gex, daughter of Mr. and Mrs. Walter Gex III of Bay St. Louis. Rachel is a junior at Our Lady's Academy.

She is president of the junior class, works on the school paper and is presently a St. Stanislaus cheerleader.

The maids in the Homecoming Court are as

follows: Miss Jennifer Caldwell, daughter of Mr. William Caldwell and Mrs. Dennis Ladnier of Pass Christian and a sophomore at Pass Christian High School; Miss Laurie Gex, daughter of Mr. and Mrs. Lucien Gex, Jr. of Waveland and a senior at Our Lady's Academy; Miss Whitney Johnston, daughter of Mr. and Mrs. Huey Johnston of Bay St. Louis and a senior at Our Lady's Academy; and Miss Elizabeth Santa Cruz, daughter of Mr. and Mrs. E.W. Santa Cruz of Bay St. Louis and a senior at Our Lady's Academy.

The Homecoming Court will be also introduced and recognized at the homecoming dance on Saturday November 10.

This semi-formal homecoming dance will be held from 8:00-12:00 in the student union at St. Stanislaus and is open to all students and alumni of St. Stanislaus.

Diamondhead ladies hold wine tourney

Doris Cole, left, Hilda Bourg, and Christine Molyneaux, winners in the Diamondhead Open Wine Tournament

By HILDA BOURG

The Diamondhead Ladies Tennis Association held an Open Wine Tournament recently at Tennis World.

There were twenty-four ladies participating in this tournament under the direction of Mrs. Betsy Nolan. Throughout the day, the participants drank wine and snacked on apples, cheese, nuts and Hors d'Ouvres. The entry fee for this tournament was a bottle of wine.

The winners of each division picked three bottles of wine; the second place winner picked two bottles; and the last place of each division

chose one bottle.

The winner of the "A" division was Hilda Bourg with Mrs. Christine Molyneaux of Sildell coming in second.

Mrs. Doris Cole of Waveland was the winner of the "B" division and Mrs. Sara Standridge of Diamondhead was the second place winner.

The next special event tournament to be held by the Diamondhead Ladies Tennis Association will be a Turkey Tournament on Friday, Nov. 16 at 9:15 a.m.

Every Friday at 9:15 a.m. the ladies play tennis at the Tennis World Courts.

PRJC closes season with 10-6 victory

Pearl River College used a tenacious defense and a sputtering offense to nail down a 10-6 win over Mississippi Delta Saturday night.

The win put the Wildcats final overall mark at 6-4 to go with a 3-3 division ledger. Gulf Coast soundly defeated Coahoma 40-10 Saturday, ending all Wildcat's play-off chances.

Southwest and Gulf Coast will meet Thursday night at Summit, to decide the fourth team in the Mississippi Junior College postseason playoffs.

Itawamba and Northeast will represent the north and Jones and the winner of the Bear-Bulldog game will represent the south for the state championship.

The 'Cats had trailed Delta 6-3 going into the final quarter but PRJC marched 65 yards, gaining two clutch first downs on the way, to grab the lead.

Rusty Highstreet broke loose to the 4-yardline on a 22-yard burst, one in which he broke at least four tackles.

Quarterback Jody Simon then hit tight end John Bissel with a 4-yard pass to put the 'Cats ahead to stay. Andy Coleman booted the extra point with 5:46 left in the game.

The Trojans of Mississippi Delta promptly fumbled the ensuing kickoff and the Wildcats recovered at the 20 with E.L. Powell doing the honors.

The 'Cats fumbled the ball back minutes later, but Delta could do nothing with the football by that time.

Pearl River grabbed the lead in the first quarter when they drove from their own 38 to the inside of the Delta 20.

The drive stalled there and Coleman booted at 28-yard field goal with 4:19 remaining in the first period. That climaxed a nine-play drive.

Delta got on the board when Darrell Grant dove in from the one-yard line with 11:30 left in the second quarter. The extra point kick was good, but PRJC drew a penalty on the play.

Delta then chose to go for two points, and the Wildcats held. Delta led 6-3.

That lead was sustained due to the fierce defensive struggle. The Wildcats

recovered three Trojan fumbles and had two interceptions. Mark Summers of Picaune was one of the bandits while Yancey McNeil picked off the other aerial. Rusty Highstreet led the Wildcat running attack which netted 120 yards. Highstreet gained 76 yards on nine carries. Anthony Jackson of Picaune garnered 55 yards on eight totes. The Wildcats in winning their third straight game out-gained the home

team in total offense. PRJC had 267 yards to only 160 for the Trojans.

The win by Pearl River Junior College over Delta was their first since 1975. In 1975 the 'Cats defeated Delta 21-6.

Last year the two teams met and tied, 7-7. PRJC now leading in the series since 1948, 17-4-2.

The Wildcats opened the 1979 season by winning their first three games and

achieving a ranking in the top twenty of the nation. However the 'Cats proceeded to drop consecutive games to Jones, Itawamba, Gulf Coast and East Central before knocking off Copiah-Lincoln to end the streak.

The win over Delta Saturday allowed the Wildcats to end the regular season with a three-game winning streak.

In other junior college action Saturday, Hinds defeated Holmes, 17-7, Jones bombed East Central, 41-6, and Copiah-Lincoln belted Itawamba, 28-14.

Lung Association essay contest deadline Nov. 16

"Smoking and Health" is the subject of the third annual statewide essay contest sponsored by the Mississippi Lung Association, announced Dr. John F. Busey of Jackson, president of the Christmas Seal voluntary health organization.

Announcements outlining rules and regulations have been sent to all Mississippi schools. Any regularly

enrolled 8th or 10th grade student is eligible to participate.

Eighth and tenth grade teachers are asked to select two essays in local classrooms as preliminary winners and send them to the Mississippi Lung Association in Jackson for statewide judging. Deadline for entry is November 16, 1979.

All entries will be judged as to content, accuracy of statements, originality and effectiveness. Winners will be announced in mid-December.

Twelve prizes will be awarded. First, second and third place winners will be chosen in each of the following categories: 8th grade girls, 8th grade boys, 10th grade girls and 10th grade boys. Prizes will be 1st place, \$25.00; 2nd place, \$15.00 and 3rd place, \$10.00.

Additionally, all four first place winners will be invited to come to Jackson in late December to tape a television program, "Access," with Mr. Jack Schweitzer, host.

The television program featuring the top essay winners will be aired in January 1980 on the Mississippi Educational Television Network during National Week on Smoking.

The Mississippi Lung Association will furnish resource material, free of charge, upon request. Dr. Busey added that requests for educational pamphlets, films and posters on smoking and its subsequent health hazards are increasing.

A wide variety of educational material is available year-round from the Mississippi Lung Association. For further information, to request material, or to submit essay entries, contact the Mississippi Lung Association, Post Office Box 9865, Jackson, Miss. or telephone 362-5453.

DONALD B. GAMBLE
Airman Donald B. Gamble, son of retired Air Force Chief Master Sergeant and Mrs. Richard E. Gamble of 204 Palmyra Drive, Long Beach, Calif., has graduated from the U.S. Air Force security police specialist course at Lackland Air Force Base. At San Antonio, Texas.

Graduates of the course earn credits toward an associate degree in applied science through the Community College of the Air Force.

Airman Gamble studied security and law enforcement. He is being assigned to Whiteman Air Force Base, Mo., for duty with a unit of the Strategic Air Command.

The airman is a 1979 graduate of Long Beach High School.

CARL A. TRAUB
Staff Sergeant Carl A. Traub, son of Mr. and Mrs. Warren E. Traub, Sr., of 1200 Dunbar Ave., Bay St. Louis, Miss., has received his second award of the Air Force Commendation Medal at Sembach Air Base, West Germany.

The Air Force Commendation Medal is awarded specifically to those individuals who demonstrate outstanding achievement or meritorious service in the performance of their duties on behalf of the Air Force.

Sergeant Traub was cited for meritorious service as a communications security technician at RAF Chicksands, England.

He now serves with a unit of the Electronic Security Command.

The sergeant is a 1972 graduate of Marion Military Institute, Marion, Ala.

FRED L. WHITE JR.
Airman First Class Fred L. White Jr., son of Emily Callahan of Kiln, Miss., has graduated from the U.S. Air Force operating room specialists course at Sheppard Air Force Base, Wichita Falls, Texas.

Graduates of the course earn credits toward an associate degree in applied science through the Community College of the Air Force.

Airman White studied theory and skills of operating room procedures, and pre-and post-operative care of patients.

He will be assigned to the USAF Hospital at Little Rock Air Force Base, Ark., for duty with a unit of the Air Training Command.

The airman is a 1979 graduate of Hancock North Central High School, pass Christian, Miss. His father, Fred L. White Sr., resides at 608 Shawnee Drive, Montgomery, Ala.
